**REPORT
TO THE
COMMUNITY**

MANNA *thanks you...*

Dear Friends,

MANNA must always provide quality service and care for the patients we serve, as well as be great stewards of the funds contributed each year for our work. Our donors should have confidence that MANNA operates both efficiently and honestly, providing the maximum amount of services possible with expenses under control.

This annual report for the period of July 2010 thru June 2012 indicates that 81 cents of every dollar received is applied to direct services. Less than 19 cents per dollar is spent on the cost of management and fundraising.

As MANNA works hard to secure sustainable revenue sources, invites more individuals to become MANNA Friends, hosts more Meals That Matter, and sells more pies, we are fortunate to have ample savings to continue current levels of service until we succeed.

It has been a life-altering and extremely rewarding experience for me to serve as the CEO of MANNA for the past seven and a half years. Our staff, donors and supporters generously worked together to bring MANNA to a strong financial position. Passing "the torch" to new leadership is exciting. I look forward to doing my part in continuing to strengthen our vital mission.

MANNA will always need you! And we need your friends, family and co-workers, too. After all, we are *neighbors nourishing neighbors*.

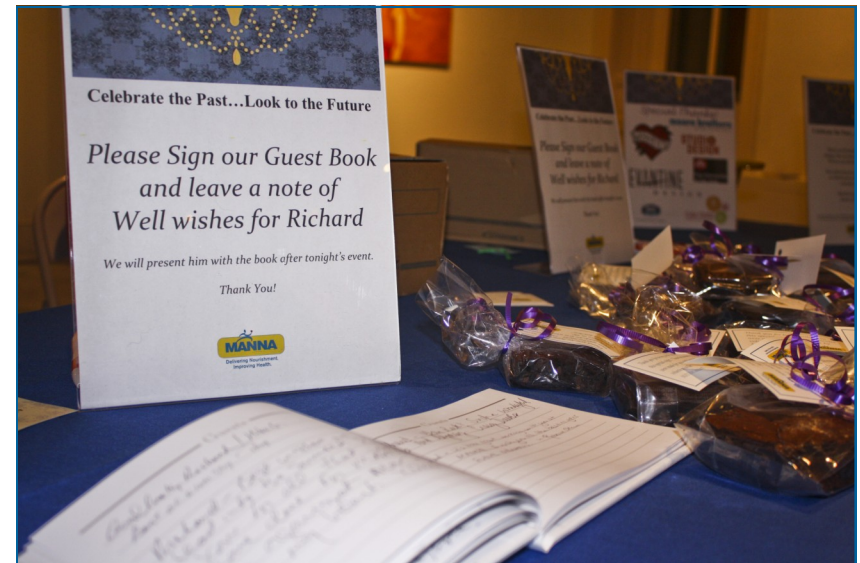

Thank you for all that you do for MANNA,

Richard Keaveney, CEO Emeritus

CEO Emeritus Richard Keaveney with Board Member Barbara Kaplan, Board Chair Barbara Ilsen and Executive Director Sue Daugherty

Staff, volunteers and other friends of MANNA said farewell to CEO Richard Keaveney at his tribute party in December 2012

MANNA nourishes...

Especially for people at acute nutritional risk due to life-threatening illness, MANNA prepares and delivers delicious nourishing meals and counsel, empowering individuals to battle illness and improve their quality of life.

MANNA supports individuals on their path to recovery and improved health through nutrition counseling and nourishing meals.

Our team of registered dietitians is dedicated to improving the health of our neighbors in the following ways:

- Assessing nutritional risk factors and designing medically-appropriate meals
- Providing individual and group nutrition counseling
- Educating healthcare providers

MANNA clients

In FY 2011-2012, MANNA delivered 746,842 meals to over 2,100 clients.

A Client's Gratitude...

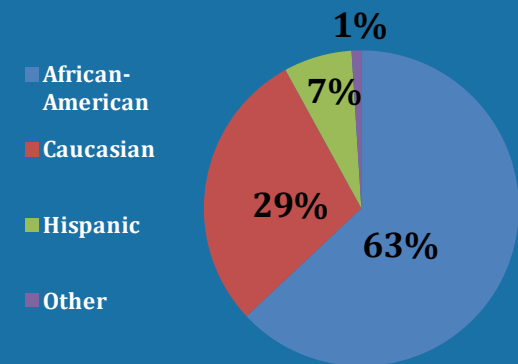

"You provide a service that is a vital part of helping me return to good health. Without your kindness and delivery of well-prepared, delicious, and nutritious meals, I cannot imagine how I would manage with pancreatic cancer."

Thank you for being there and for the contribution you make to my care. You give me hope and inspiration."
