About MANNA

Especially for people at acute nutritional risk due to life-threatening illnesses, [MANNA](#) prepares and delivers delicious nourishing meals and counsel, empowering individuals to battle illness and improve their quality of life. A small professional staff and 2,500 dedicated volunteers bring more than 80,000 nutritious, home-delivered meals each month to individuals and families living with HIV/AIDS, cancer and other life-threatening illnesses. MANNA dietitians promote wellness through nutrition education and counseling. Through these services, MANNA provides opportunities for caring people to extend loving support to families, friends, and neighbors. **MANNA is spelled in all capital letters.**
