**DESIGN HOME 2017 SHOWCASES THE LATEST HOME DESIGN TRENDS**  
**ALL PROCEEDS GO TO MANNA, DELIVERING FOOD AS MEDICINE**

Wynnewood, PA – (April 29th, 2017) Metropolitan Area Neighborhood Nutrition Alliance ([MANNA](#)) partners with [Philadelphia magazine](#) for Design Home 2017, where all ticket proceeds will go to help MANNA provide medically tailored meals for critically ill neighbors in the Greater Philadelphia area.

Design Home is a unique showcase for the most current trends in home design, with the opportunity to tour an exquisitely crafted house. With remarkable, state-of-the-art features and modern design elements made possible by layers of collaboration between accomplished builders, interior designers, and architects, visitors are repeatedly moved to awe and inspiration.

This year, the home is built in Wynnewood, Pennsylvania, chosen for its rich architectural heritage and scenic setting. Experience the beauty of historical architecture blended with modern design to create an elegant and livable space.

Visitors arrive to pull inspiration from the home, eager to seize the opportunity to get an inside look at intentional design, cutting-edge technology, and the trendiest home products. Items within the house will also be available for purchase, informed by a price list provided at the door.

Design Home 2017 brings to the table project builder [Mark K. Weiss](#), interior designers from [Winslow Interiors](#) and [KAM Interiors](#), and architects from [McIntyre Capron Architects](#). To maintain the element of mystery and surprise behind this year's design choices, *Philadelphia* magazine's only taste of what's to come is a [beautiful rendering](#) by Margaret M. Casper.

Tours of the 2017 home begin Saturday, April 29th and run every Monday, Thursday, Saturday, and Sunday, from 11:00am to 4:00pm, with the last tour taking place on Sunday, May 21. Street parking will be available. Interested visitors can find tickets online at <http://www.phillymag.com/designhome/#tickets>, where proceeds go directly to MANNA.
